

Teun A. van Dijk was professor of discourse studies at the University of Amsterdam until 2004, and is at present professor at the Universitat Pompeu Fabra, Barcelona. After earlier work on generative poetics, text grammar, and the psychology of text processing, his work since 1980 takes a more critical perspective and deals with discursive racism, news in the press, ideology, knowledge and context. He is the author of several books in most of these areas, and he edited *The Handbook of Discourse Analysis* (4 vols, 1985) the introductory book *Discourse Studies* (2 vols., 1997; new one-volume edition, 2011) as well as the reader *The Study of Discourse* (5 vols., 2007). He founded 6 international journals, *Poetics*, *Text* (now *Text & Talk*), *Discourse & Society*, *Discourse Studies*, *Discourse & Communication* and the internet journal in Spanish *Discurso & Sociedad* (www.dissoc.org), of which he still edits the latter four. His last monographs in English are *Ideology* (1998), *Racism and discourse in Spain and Latin America* (2005), *Discourse and Context* (2008), *Society and Discourse* (2009). His last edited books are *Racism at the Top* (2000, with Ruth Wodak), and *Racism and Discourse in Latin America* (2009). He is currently working on a new book on discourse and knowledge. Teun van Dijk, who holds two honorary doctorates, has lectured widely in many countries, especially also in Latin America. With Adriana Bolivar he founded the Asociación Latino-americana de Estudios del Discurso (ALED), in 1995. For a list of publications, recent articles, resources for discourse studies and other information, see his homepage: www.discourses.org.
